

# Too Rolling Stoned

**Robin Trower**

Oh, a stitch in time, just about saved me  
From going through the same old moves  
And this cat has nine, he still suffers  
He's going through the same old grooves But that stone just keeps on rolling  
Bringing me some real bad news  
The takers get the honey  
Givers sing the blues Too many cooks yeah, spoil such a good thing  
I know I laughed out loud but that was then  
Ain't it funny, a fool and his money  
Always seem to find was those real good friends That stone just keeps on rolling  
Bringing me some real bad news  
The takers get the honey  
Givers sing the blues Well, that stone keeps on rolling  
Bringing me some real bad news  
The takers get the honey  
Givers sing the blues A stitch in time, helps to unfold me  
The circus starts at eight, so don't be late  
Please be so kind not to wake me  
I think I'll just sit this one out Well I'm too rolling stoned  
I'm too rolling stoned, yeah  
Like a rolling stone  
Just, just, just like a rolling stone Rolling, rolling, rolling, rolling stone  
Yeah, too rolling stoned  
Oh, just like a rolling stone  
Well, like a rolling stone
