

Goodbye Honky Town

The Circus Contraption Band

Goodbye Honkey Town
Iâ€™ll see you in my nightmares
You're like agnosy in there
Iâ€™ll be the one at the hatchet grinning

The west is the best
And the south is a mouth
Which feeds on the bottom of the sea
Iâ€™ll bleed water if I would puke
The world will be better off when youâ€™re not in it

Goodbye honkey town
Iâ€™ll see you in your nightmares
Youâ€™re like agnosy in there
Iâ€™ll be the one with the hatchet grinning

Goodbye southern men
You treat your women like dogs
Theyâ€™re beaten and starved for life
Your children will murder you when they get bigger

Goodbye honkey town
Iâ€™ll see you in your nightmares
Youâ€™re like agnosy in there
Iâ€™ll be the one with the hatchet grinning

Your head is in a hood which is bleached white and pointed
I see the hate in your eyeholes
The devil is waiting for your soul
If thereâ€™s a god, she will send you to hell

Goodbye honkey town
Iâ€™ll see you in your nightmares
Youâ€™re like agnosy in there
Iâ€™ll be the one with the hatchet grinning

Goodbye honkey town
Iâ€™ll see you in your nightmares
Youâ€™re like agnosy in there
Iâ€™ll be the one with the hatchet grinning
