Looking back at youLooking back at you
I've lost a lot
You've got a lot
Miss you a lot
I miss youLooking back at you
I've lost a lot
You've got a lot
Miss you a lot
I miss youSmokey, when I speak your name
Smokey, you do something to my brain
Hey, Smokey, I'm like a dog on your chain
Smokey baby, you got me singing this sweet refrainLooking back at you
I've lost a lot
You've got a lot
Miss you a lot
I miss youLooking back at you
I've lost a lot
You've got a lot
Miss you a lot
I miss you, babyHold on, Smokey, baby, I love you
Hold on, Smokey, baby, I can feel you go
Ah, hold on, Smokey baby
Smokey baby, you got me playing this sweet refrainSmokey baby, you got me playing this sweet refrainLooking back at you
I've lost a lot
You've got a lot
Miss you a lotLooking back at you
I've lost a lot
You've got a lot
Miss you a lotLooking back at you
I've lost a lot
