

Chateau Lafitte '59 Boogie

Foghat

Oh, what a night, sure had a real good time
Oh, what a night, sure had a real good time
You drink whiskey, I'll drink cheap red wine My head started spinnin', eyes began to roll
My head started spinnin', eyes began to roll
Crazy fool, shoulda listened to what I've been told But I'm rollin' all night long
Rollin' all night long, rollin' all night long
Just another drink and I'll be gone, gone, gone And look at old Charlie standin' by a dollar bill
Look at old Charlie, standin' by a dollar bill
It may look good but it sure ain't no cheap thrill So I'm rollin' all night long
Rollin' all night long, rollin' all night long
Just another drink and I'll be gone, gone, gone
Well, I'm gone My head started spinnin', eyes began to roll
My head started spinnin', eyes began to roll
Shouldn't do that, shouldn't do that
Crazy fool, I drank too much alcohol, that's alright Now I'm rollin' all night long
Rollin' all night long, rollin' all night long
One more drink and I'll be gone, oh, gone
Gone, yeah Whoo, rollin', whoo
Alright, John Lee Hooker Yeah, I got drunk last night
And the night before
If I get me some wine
Gonna get drunk some more I been rollin', rollin', rollin' all night long
I said all night, all night, all night, all night
Rollin' all night long, yeah, whoo Oh, what a night, sure had a real good time
Oh, what a night, sure had a real good time
You drink your whiskey, I'll drink my red wine, yeah Well, I'm rollin' all night long
Rollin' all night long, rollin' all night long
Just another drink and I'll be gone, gone, gone, gone
Whoa, I'm gone
