

# The Traveller

## Christina Lindberg

I am a traveller  
And I'm arriving  
In a new place  
With a new faceSo don't stop, stop, stop, stop, stop, stop  
Don't look behind you  
You don't stop, stop, stop, stop, stop, stop  
They'll never find youI am a traveller  
Across the ocean  
I wanna get there  
I wanna swim in your emotionSo don't stop, stop, stop, stop, stop, stop  
Don't look behind you  
You don't stop, stop, stop, stop, stop, stop  
They'll never find youI am the traveller  
Across a million miles of open  
I wanna get there  
I wanna swim in your emotionI won't stop, stop, stop, stop, stop, stop  
Won't look behind you  
They won't stop, stop, stop, stop, stop, stop  
Until they find youI am a traveller  
I am a traveller  
I am a traveller  
I am a traveller  
Traveller, traveller
