

# Personal Stereo

## Flunk

This one goes out to the one I love  
This one goes out to the one I love  
This one goes out to the one I love  
Coming to you, on your personal stereo

I'm coming back to play  
But I don't know the rules  
And I'm nobody's fool but myself  
So should I stay, or should I walk away?

I'm coming back to play  
But I don't know the rules  
And I don't know the name of this game  
So if you want it any other way it's OK

I'm coming back to play  
But I don't know the rules  
And I'm nobody's fool but myself  
So if you want it any other way I would stay

I coming back to play  
But there are still things to learn  
About religion science and love  
I'm an amateur and you're a pro
