

From the Heart (2002 Remastered Version)

Generation X

I know you've heard these things before
You get the same reply
But all these things are new to me
So I'm asking why?
Isn't it the truth you want to hear
Not lies and jealousy From the heart
I can tell no lies
From the heart
I can tell no lies, lies, lies I just want to give the feeling
Rock and Roll gave to me
And to say what I believe in
In honesty
Isn't it the truth
You want to hear not lies and jealousy? From the heart
I can tell no lies
From the heart
I can tell no lies, lies, lies
