

Let's Go Get Stoned

[Ray Charles](#)

Let's go get stoned yeah oh let's go get stoned
Everybody let's go get stoned
Oh, let's go get stoned now wait a minute You know my baby, she won't let me in
I've got a few pennies, I'm gonna buy myself a bottle of gin
I'm gonna call my buddy on the telephone
And say let's go get stoned Now listen you know I work so hard, all day long
Everything I try to do, seem to always turn out wrong
That's why I wanna stop by on my way home and say
Let's go get stoned Now let me tell ya one more thing
Ain't no harm to have a little taste
But don't lose your cool
And start messing up a man's place Ain't no harm to take a little nip
But don't ya fall down and bust your lip
Mmm, no, no let's go get stoned
Oh, let's go get stoned I think everybody ought to come on and go with me
Let's go get stoned oh let's go get stoned
I'm gonna tell ya one more time what I'm gonna do
Let's go get stoned, oh, let's go get stoned
