## Let's Go Get Stoned

## **Ray Charles**

Let's go get stoned yeah oh let's go get stoned Everybody let's go get stoned Oh, let's go get stoned now wait a minute You know my baby, she won't let me in I've got a few pennies, I'm gonna buy myself a bottle of gin I'm gonna call my buddy on the telephone And say let's go get stonedNow listen you know I work so hard, all day long Everything I try to do, seem to always turn out wrong That's why I wanna stop by on my way home and say Let's go get stonedNow let me tell ya one more thing Ain't no harm to have a little taste But don't lose your cool And start messing up a man's placeAin't no harm to take a little nip But don't ya fall down and bust your lip Mmm, no, no let's go get stoned Oh, let's go get stonedI think everybody ought to come on and go with me Let's go get stoned oh let's go get stoned I'm gonna tell ya one more time what I'm gonna do Let's go get stoned, oh, let's go get stoned
