Another Man Loved Me Last Night

Norma Jean

He doesn't know that I can't look him in the eyes
Or that I can't speak or I'll start telling lies
I hope he thinks that I'm just moody and quiet
But another man loved me last nightYes, another man loved me last night
I'd almost forgotten what love was really like
But I'm only human, only a woman
I let another man love me last nightWhile he's sleepin', well, I'm cryin' here awake
Not being loved was more than I could take
Though it was wrong, there in his arms it seemed so right
When another man loved me last night, yes, another man loved me
