

Ev'rythang

Terence Trent D'Arby

The view from the mountain
Is the same as the one from the shore
The view from an open window
Is the same as from a closed door
The fabulous sunset
Is a joy to behold
And the chains of perception
Have broken their mold
I want to be one with
Everything, everything, everything I look at my sister and at my brother
I see that I'm no more ,nor less than another
I see that the rainbow is my family tree
I love every color and every mother
Cause everyone is family
I want to be one with
Everything, everything, everything
