Cuddly Toy

Roachford

I know you've heard so many people say
I've got a different girl in every town.
Oh
but there must be somebody telling lies
And spreading rumours
spreading rumours all around.Because my only joy is a cuddly toyWaiting for me when I get home.
And what I need is a girl like you to call my very own.So you've got to feel for me
baby
- feel for me
baby -Yeah
you've got to feel for me
baby
- feel for me
baby -Yeah
you've got to feel for me
baby
- feel for me
baby -Oh
gimme some love.Well
I don't pou out my heart like this
To everyone and not anyone that I meet.
And I know it ain't the wine ' cause I feel just fineCan't you see
baby
I'm still on my feet!Oh
but a cuddly toy
that's my only joyWaiting for me when I get home.
And what I need is a girl like you to call my very own.So you've got to feel for me
baby
- feel for me
baby -
...A cuddly toy
that's my only joy
...
So you've got to feel for me
baby
- feel for me
baby -
...
Oh

the first thing in the morning
last thing in the nightGirl
you've got to love me and treat me so right.
You know you've got to feel
come onIf I told you once
I told you three times:
You know you've got to feel
come on
baby.
If I told three times
I told you five times:You know you've got to feel
feel
feel
come on
come on
baby- Feel for me baby -
