

# Daddy's Love

[Yvonne St. Germaine](#)

I can't understand, the distance between me and this man.  
Raised me till I was ten but his love I knew would never end.  
Many nights I sat and cried, just to be there by his side.  
I may never understand, the things that happened way back then.

This man that I envy, is my Daddy.  
I feel his prayers are with me.  
Lost time can't take away  
Words I need to say to my Daddy  
I forgive you, I love you and I miss you everyday.

A hard working man, doing everything he can.  
To cherish the one that brought him in this world.  
I see I have his ways, cause I feel the same way.  
It's a love. that words just can't explain.

I live free knowing I'm Daddy's little Girl.  
Let's leave our prayers into, the hands of our Lord.  
and one day we'll understand, why things ain't the way they should have been.

Yes this man that I envy, is my Daddy.  
I feel his prayers are with me.  
Lost time can't take away  
Words I need to say to my Daddy  
Please forgive me, for building a wall and leaving you the blame.

I thank the Lord above, for my Daddy's Love~
