

# We Should Be Together

[Don Williams](#)

I think about you when I don't want to  
Dream about your smiling face  
And I keep trying not to love you  
But I love you anyway We should be together, together  
We should be walking side by side  
We should be together, together  
Keeping each other satisfied I have thought to come to know you  
I've come to need your company  
What will I do if I can't have you?  
If I can't have you what will I do? We should be together, together  
We should be walking side by side  
We should be together, together  
Keeping each other satisfied
