Hallelujah

Paramore

Somehow everything's gonna fall right into place
If we only had a way to make it all fall faster every day
If only time flew like a dove

Well God, make it fly faster than I'm falling in loveThis time we're not giving up

Let's make it last forever

Screaming "Hallelujah!"

We'll make it last foreverHolding onto patience wearing thin

I can't force these eyes to see the end

If only time flew like a dove

Well, we could watch it fly and just keep looking upThis time we're not giving up

Let's make it last forever

Screaming "Hallelujah!"

We'll make it last foreverAnd we've got time on our hands

Got nothing but time on our hands

Got nothing but, got nothing but

Got nothing but time on our handsThis time we're not giving up

Oh, let's make it last forever

Screaming "Hallelujah! Hallelujah!"
