A.d.d. (american Dream Denial)

System Of A Down

We fought your wars with all our hearts
You sent us back in body parts
You took our wills with the truth you stole
We offer prayers for your long lost soul
Your remainder is an unjustifiable egotistical power struggle
At the expense of the American dream
Of the American dream
Of the American
We don't give a damn about your world
With all your global profits and all your jeweled pearls
We don't give a damn about your world
Right now, right now
We don't give a fuck about your world
With all your global profits and all your jeweled pearls
We don't give a fuck about your world
Right now, right now
Right now, right now
There is no flag that is large enough
To hide the shame of a man in cuffs
You switched your signs then you closed the blinds
You changed the channels and you changed our minds
Your remainder is an unjustifiable egotistical power struggle
At the expense of the American dream
Of the American dream
Of the American
We don't give a damn about your world
With all your global profits and all your jeweled pearls
We don't give a damn about your world
Right now, right now
We don't give a fuck about your world
With all your global profits and all your jeweled pearls
We don't give a fuck about your world
Right now, right now
Right now, right now
Right now, right now
Right now, right now
No flag large enough
Shame on the men in cuffs
Close the blinds

Your remainder is an unjustifiable egotistical power struggle
At the expense of the American dream
Of the American dream
Of the American
We don't give a damn about your world
With all your global profits and all your jeweled pearls
We don't give a damn about your world
Right now, right now
We don't give a fuck about your world
With all your global profits and all your jeweled pearls
We don't give a fuck about your world
Right now, right now
Right now, right now
Right now, right now
Right now, right now
