

Love Sneakin' Up On You

[Skylar Laine](#)

Rainy night, I'm all alone
Sittin' here waitin'
For your voice on the phone
Fever turns to cold, cold sweat
Thinkin' about the things we ain't done yet Tell me now, I've got to know
Do you feel the same
Do you just light up at the mention of my name? Don't worry baby, it ain't nothin' new
That's just love sneakin' up on you
If your whole world's shakin' and you feel like I do
That's just love sneakin' up on you Nowhere on earth for your heart to hide
Once love comes sneakin' up on your blind side
And you might as well try to stop the rain
Or stand in the tracks of a runaway train
You just can't fight it when a thing's meant to be
So come on let's finish what you started with me Don't worry baby, it ain't nothin' new
That's just love sneakin' up on you
If your whole world's shakin' and you feel like I do
That's just love sneakin' up on you
