Bad Party (1927)

Catch 22

So I submit you've failed us twice.
Once is for your brothers.
One is for your brothers and the second's for your sons.Isolation, mis-education; and for very clever there is looming liquidation.
You put the light of Socialism high up on a shelf
and in effect prevented it from spreading somewhere else.What have you done? What do you say top those who've died along the way?
Should you tell them that they've died in vain?Now is when we should all be moving forward, but instead you're falling back.
Don't stop now when we're almost up the mountain, though the view here mighty seem nice.
