Beware, Poisonous!

Oxymoron

A glaring plague warned of peril.
The city's lying in exhalation.
All people killed by dioxine.
Radioactive contamination, poisonous crap wherever you glance.
You can't afford to be affected, poisonous crap inside of their heads.
Drives 'em into fucked up actions.[Chorus:]
Poison all yourselves you body.
Beware, beware, there's poison in the air.
Beware, beware, it's gonna be a state affair.
Beware, beware, there's poison everywhere.
Beware, beware, beware, poisonous outside.A punky band is prodding uproar.
Beware of their poisonous slogans.
They spill their hatred, just look out there.
The youth gets spoiled by vandalism.
Every page another lie.
It's propaganda and deception.
To poison- poison-poison your brain.
And let them keep on pulling the strings.
