

# Mysteries of Love

**Julee Cruise**

Sometimes a wind blows  
And you and i  
Float  
In love  
And kiss  
Forever  
In a darkness  
And the mysteries  
Of love  
Come clear  
And dance  
In light  
In you  
In me  
And show  
That we  
Are love Sometimes a wind blows  
And the mysteries of love  
Come clear.
