Break Away

Art Garfunkel

I watch the distant lights on the runway
Disappear into the evening sky
Oh you know I'm with you on your journey
Never could say, "Goodbye"It's not the sun you're trying to find
Something else is on your mind
You need a little space and time to break awayIt's not the place you're going to
It's just a phase you're going through
Though I won't stop you I don't want you toBreak away, fly across your ocean
Break away, time has come for you
Break away, fly across your ocean
Break away, time has comeFor you to awaken in another country
Greet the morning under foreign skies
Leaving me to face another Monday
It's not easy to get byIt's not the sun you're trying to find
Something else is on your mind
You need a little space and time to break awayIt's not the place you're going to
It's just a phase you're going through
Though I won't stop you I don't want you toBreak away
Fly across your ocean
Break away
(Break away, break away)
Time has come for youBreak away
(Break away, break away)
Fly across your ocean
Break away
(Break away, break away)
Time has come for youBreak away
(Break away, break away)
Fly across your ocean
Break away
(Break away, break away)
