Let`s Do It Again

Camp Lo

You sweet young thang you whatever you do
Lord knows you do it nice and easy you keep it nice and long
You sexy thang you whatever it is you want from me
You know I'll satisfy just keep the love at homeYou give me pleasure unlike any pleasure
That I've felt or ever seen I can't get enough of you in me
You know I treasure each and every waking moment
That you spend with me I'm in ecstasyLet's do it again 'cause I love to make sweet love to you baby
Let's do it again I wanna go all night long
Let's do it again 'cause I love to make sweet love to you baby
Let's do it again I wanna go all night longYou precious thang you I love what you do when you do
And you do it oh so special I don't see nothin' wrong
With nothing 'bout you whatever it is that makes you feel
So very special a baby please please keep it onI so desire everything about you and I want you
Close to me as close as close could ever be
Come light the fire that waits for you and yearns
For you that burns inside of me, take me to ecstasyLet's do it again 'cause I love to make sweet love to you baby
Let's do it again I wanna go all night long
Let's do it again 'cause I love to make sweet love to you baby
Let's do it again I wanna go all night longDon't stop please don't stop please please don't stop it
Don't stop please don't stop please please don't stop it
Don't stop please don't stop please please don't stop it
Just do it do it do it do it, oh ahh oh ahhLet's do it again 'cause I love to make sweet love to you baby
Let's do it again I wanna go all night long
Let's do it again 'cause I love to make sweet love to you baby
Let's do it again I wanna go all night longLet's do it again do it do it do it
Let's do it again I wanna go all night long
Let's do it again 'cause I love to make sweet love to you baby
Let's do it again I wanna go all night longLet's do it again
