

# Let`s Do It Again

## Camp Lo

You sweet young thang you whatever you do  
Lord knows you do it nice and easy you keep it nice and long  
You sexy thang you whatever it is you want from me  
You know I'll satisfy just keep the love at home You give me pleasure unlike any pleasure  
That I've felt or ever seen I can't get enough of you in me  
You know I treasure each and every waking moment  
That you spend with me I'm in ecstasy Let's do it again 'cause I love to make sweet love to you baby  
Let's do it again I wanna go all night long  
Let's do it again 'cause I love to make sweet love to you baby  
Let's do it again I wanna go all night long You precious thang you I love what you do when you do  
And you do it oh so special I don't see nothin' wrong  
With nothing 'bout you whatever it is that makes you feel  
So very special a baby please please keep it on I so desire everything about you and I want you  
Close to me as close as close could ever be  
Come light the fire that waits for you and yearns  
For you that burns inside of me, take me to ecstasy Let's do it again 'cause I love to make sweet love to you baby  
Let's do it again I wanna go all night long  
Let's do it again 'cause I love to make sweet love to you baby  
Let's do it again I wanna go all night long Don't stop please don't stop please please don't stop it  
Don't stop please don't stop please please don't stop it  
Don't stop please don't stop please please don't stop it  
Just do it do it do it do it, oh ahh oh ahh Let's do it again 'cause I love to make sweet love to you baby  
Let's do it again I wanna go all night long  
Let's do it again 'cause I love to make sweet love to you baby  
Let's do it again I wanna go all night long Let's do it again do it do it do it  
Let's do it again I wanna go all night long  
Let's do it again 'cause I love to make sweet love to you baby  
Let's do it again I wanna go all night long Let's do it again  
Let's do it do it do it  
Let's do it
