

# Living It Up

## Smokey River Boys

Please don't mind me, I'm havin' a little breakdown  
Thought I'd stop right here and get beside myself  
    Soon I'm goin' high up in the air  
Glory's callin', callin' loud and clearLivin' in glory, we're gonna live it up  
    Oh, the glory, where the living never stops  
        Shoutin' and singin', praises ringin'  
Livin' it up in glory, we're gonna live it upShoutin'in heaven is right there on my list  
    Oh, the things I'll do just inside the gates  
        No more wheelchairs, caskets, old dark caves  
The Saint's of God have risen up out of the graveLivin' in glory, we're gonna live it up  
    Oh, the glory, where the living never stops  
        Shoutin' and singin', praises ringin'  
Livin' it up in glory, we're gonna live it up
