

# Brick House

## Hermes House Band

She's a brick house, she's mighty mighty  
And just lettin' it all hang out and she's a brick house  
And like lady's stacked and that's the fact  
Ain't holding nothing back, she's a brick house  
We're here together everybody knows  
This is how the story goes  
She knows she's got everything  
That a woman needs to get a man  
How can she lose with the sex she use  
36-24-36, what a winning hand  
She's a brick house, she's mighty mighty  
And she's lettin' it all hang out and she's a brick house  
And like lady's stacked and that's the fact  
Ain't holding nothing back she's a brick house  
Yeah she's the one, the only one built like an Amazon  
The clothes she wears, her sexy ways  
Make a old man wish for younger days  
She knows she's built and knows how to please  
Sure enough to knock a strong man to his knees  
'Cause she's a brick house yeah she's mighty mighty  
Just lettin' it all hang out a brick house  
And like lady's stacked and that's the fact  
Ain't holding nothing back  
Brick house yeah she's mighty mighty  
And just lettin' it all hang out  
Brick house yeah she's the one the only one  
Built like a Amazon yeah  
Shake it down, shake it down, shake it down  
Oh well brick house
