

# Chloe

## Emblem3

Chloe, I know your sister turns everyone on  
But you're the one I want  
But you're the one I want, yeah Front page magazine  
Everybody says that she's the queen  
But that's you to me  
I just want to let you know that  
She likes the flashing lights  
I love the way that you like candle light  
Stay close by my side  
I just want a chance to show that If only you could believe in yourself in the way I believe in you  
I-I do (but you're the one I want)  
If only you could see all of the beautiful things that I see in you  
It's true-oo-oo-oo Chloe, I know your sister turns everyone on  
But, oh, baby, I have no doubt you're the one that I want (ooh-ooh-oo)  
You think she's got it all but that don't make her better  
You got my heart and that's the only thing that matters  
Chloe, I know your sister turns everyone on  
But you're the one I want  
But you're the one I want, yeah Fast lanes, limousines  
Baby, there can be no guarantees  
But if, you're with me, you know I can guarantee yeah  
Cause I'm attracted to your passion,  
Be yourself, forget the fashion  
Just keep that smile on, that you're flashing  
You and I deserve to be forever ever lasting If only you could believe in yourself in the way I believe in you  
I-I do (but you're the one I want)  
If only you could see all of the beautiful things that I see in you  
It's true-oo-oo-oo Chloe, I know your sister turns everyone on  
But, oh, baby, I have no doubt you're the one that I want (ooh-ooh-oo)  
You think she's got it all but that don't make her better  
You got my heart and that's the only thing that matters  
Chloe, I know your sister turns everyone on  
But you're the one I want, yeah  
But you're the one I want, yeah All you Chloe's,  
All you Chloe's  
They don't show you love enough (hoo-hoo-hoo-hoo)  
All you Chloe's  
You should know that you're my diamond in the rough Chloe, I know your sister turns everyone on  
But, oh, baby, I have no doubt you're the one that I want (ooh-ooh-oo)

You think she's got it all but that don't make her better  
You got my heart and that's the only thing that matters  
Chloe, I know your sister turns everyone on  
But you're the one I want  
But you're the one I want, yeah  
(ooh-ooh-oo)
