

Wanderlust

[AlunaGeorge](#)

Let's go beneath this wasteland
A fortune hidden in the dust
Not gonna stay and dig for treasure
'Cause I follow, follow wanderlust
They try to hypnotize me
'Cause I'm living, living on the cusp
But it's temporary magic
And I follow, follow wanderlust
And I hunger, I hunger to reach something beyond the view
And I know there'll be something I will lose
And I wander, I wander through this wanderlust to you
And I know that there's someone who's in wanderlust with you
If I knew better, I would stay here
Taking all my luck as it comes
But when I met a lady fortune
I swallowed, swallowed wanderlust
And I wander, I wander through this wanderlust to you
And I know that there's someone who's in wanderlust with you
