

# No More Lies

## Krypteria

There's a darkening sky before me  
There's no time to prepare  
Salvage a lost horizon  
But no regrets from me  
Maybe I'll be back some other day  
To live again, just who can say?  
In what shape or form that I might be  
Just another chance for me  
A hurried time, no disgrace  
Instead of racing to conclusion  
And wishing all my life away  
No one can stop me now  
Time is up, it couldn't last  
But there's more things I'd like to do  
I'm coming back to try again  
Some day maybe, I'll wait till then  
No more lies, no more lies  
No more lies, no more lies  
No more lies, no more lies  
No more lies, no more lies  
They're all sitting at my table  
Talking tall and drinking wine  
Their time is up just like me  
But they just don't know it yet  
So just a word of warning  
When you're in your deepest dreams  
There's nothing you can hide from  
I've got my eye on you  
The clock is fast, the hour is near  
Eventful past is everclear  
My life is set, the time is here  
I think I'm coming home  
No more lies, no more lies  
No more lies, no more lies  
No more lies, no more lies  
No more lies, no more lies  
A hurried time, no disgrace  
Instead of racing to conclusion  
Wishing all your life away

No one can stop me now  
Time is up, it couldn't last  
But there's more things I have to do  
I'm coming back to try again  
Don't tell me that this is the end  
No more lies, no more lies  
No more lies, no more lies  
No more lies, no more lies  
No more lies, no more lies  
No more lies, no more lies  
No more lies
