# Darkest Days

## Rose Cora Perry

V1: Falling to pieces is something I've mastered
I've learned the art of attracting disasters
For all that I give, I get bad in return
It's love that I share, only hate's to be earnedV2: I don't remember when things changed on me
I was never one to stay so unhappy
Why is it so hard to live out our dreams?
Why does the world want to break me? I break in myChorus: Darkest days
I feel like I am so lost on my way
In my darkest days
The world holds me out, there on display
In my darkest days
Nothing can make it all go away
In my darkest daysV3: So I pick myself back up over and over
All the pain that I'm feeling, it's hard to stay sober
While I appear to be so strong on the surface
Inside every word, every glance makes me nervousV4: I don't remember when things changed on me
I was never one to stay so unhappy
Why is it so hard to live out our dreams?
Why does the world want to break me? I break in myBridge: Sometimes my mind just goes running in circles
I can't help feel like I'm against every hurdle
Sometimes I'd upset and I don't know why
I need you to be patient, to help me get by
Sometimes I'm scared of my very own thoughts
Sometimes I need to believe in a god
Sometimes I pretend that everything's okay
But all the time, I need you, in all that I faceOutro:
And I was wandering in the rain
Masks of life, feeling insane
Swift and sudden fall from grace
Sunny days seem far away
Here abandoned and ashamed
An Armageddon of the brain
Darkest Days
In my darkest days...I need you
