

Oh, for Eyes of Glass

After The Sirens

I can't be expected
to hold this up.
You're spinning tops
and when they drop,
am I responsible?
Is what you're telling me? Well I'll give my money
if they ask me,
but I won't give my clean body. The least of these
is not the least of my worries.
I'm sorry, but Jesus come on.
