

Me And You

Kenny Chesney

Ordinary no, really don't think so
Not a love this true
Common destiny
We were meant to be
Me and you Like a perfect scene from a movie screen
Where every dream comes true
Suited perfectly for eternity
Me and you Every day, I need you even more
At the nighttime too
There's no way
I could ever let you go
Even if I wanted to Every day I live
I try my best to give
All I have to you
I thank the stars above
That we share this love Me and you Every day, I need you even more
At the nighttime too
There's no way
I could ever let you go
Even if I wanted to Ordinary no, I really don't think so
Just a precious few
Ever make it last
Get as lucky as
Me and you
Me and you
