

# Star

## HELLYEAH

Oh, the way you move  
(The way you move)  
The way you move me  
(The way you move me)  
Makes me feel alive  
Oh, the way you look  
(The way you look)  
The way you look at me  
Sends chills up my spine, yeah I found my star  
(Lost the moon)  
That star is you  
Oh, the way you touch  
(The way you touch me)  
The way you touch me  
Makes me feel alive  
Oh, the way you love me  
(The way you love me)  
When we are together  
Melt into my eyes I found my star  
(Lost the moon)  
That star is you  
(Shining through)  
I found my star  
I love the way you do me  
(Just like you do)  
Just like you do  
My angel  
My anger  
My star I found my star  
(Lost the moon)  
That star is you  
(Shining through) I found my star  
(You love me)  
That star is you  
(Shining through) I found my star  
(That star is you)  
I found my star  
(Shining through) You're my star  
You're my star

You're my star  
You're my star
