Make Me Smile

Chicago

Children play in the park They don't know I'm alone in the dark Even though Time and time again I see your face smiling insideI'm so happy That you love me Life is lovely When you're near me Tell me you will stay Make me smileLiving life is just a game So they say All the games we used to play Fade away We may now enjoy The dreams we shared so long agoOh, my darling Got to have you Feel the magic When I hold you Cry sweet tears of joy Touch the sky
