

No One Is Alone

Bernadette Peters

No one here to guide you now you're on your own
Only me beside you still your not alone
No one is alone truly no one is alone
Sometimes people leave you half-way through the wood
Others may deceive you, you decide what's good
You decide alone but no one is alone
People make mistakes, father's, mother's
People make mistakes holding to their own
Thinking they're alone
Honor their mistakes
Everybody makes
One another's terrible mistakes
Witches can be right, giants can be good
You decide what's right, you decide what's good
Just remember
Someone is on your side, someone else is not
Well we're seeing our side maybe we forgot
They are not alone, no one is alone
Hard to see the light now just don't let it go
Things will come out right now, we can make it so
Someone is on your side no one is alone
