Black Eyed Boy (Truth & Soul Mix)

Texas

No I don't lack ambition
Can't you see what I hate
That it's you who is sinking
Locked behind iron gatesYou should know
You're falling into fiction
I can tell
You're on some foolish missionYou're black eyed soul
You should know
That there's nowhere else to go
My black eyed boy
You will find
Your own space and timeYou call me superstitious
Tie me up with your deceit
I could never be malicious
Though I seem so bittersweetYou should know
You're falling into fiction
I can tell
You're on some foolish missionYou're black eyed soul
You should know
That there's nowhere else to go
My black eyed boy
You will find
Your own space and timeBlack eyed soul
You should know
That there's nowhere else to go
My black eyed boy
You will find
Your own space and
TimeYeh, you should know
You're falling into fiction
I can tell
You're on some foolish missionYou're black eyed soul
You should know
That there's nowhere else to go
My black eyed boy
You will find
Your own space and timeBlack eyed soul
You should know
That there's nowhere else to go

My black eyed boy
You will find
Your own space and timeBlack eyed soul
You should know
That there's nowhere else to go
My black eyed boy
You will find
Your own space and time
