Hurry Up Let's Go

Shout Out Louds

You're a lie, I don't believe a thing
(It's true)
Has she been asking for me
So hurry up, let's go
Don't wanna miss a thingC'mon love is all we got
And everything in a bottle is gone
So hurry up, let's go
Don't want to miss a thingSo slow down, my heart can break in a two
Yes, a heart can break in two
So c'mon, let's go
Let's break this heart in twoAnd everyone has always thought
You came to me
And I said yeah, yeah, yeah
