

Blue Orchid (High Contrast Remix)

The White Stripes

You got a reaction
You got a reaction didn't, you?
You took a white orchid
You took a white orchid turned it blueSomething better than nothing
Something better than nothing, it's giving up
We all need to do something
Try keep the truth from showing upHow dare you
How old are you now, anyway?
How dare you
How old are you now, anyway?You're given a flower
But I guess there's just no pleasing you
Your lips tastes sour
But you think that it's just me teasing youYou got a reaction
You got a reaction, didn't you?
You took a white orchid
You took a white orchid turned it blueGet behind me
Get behind me now, anyway
Get behind me
Get behind me now, anywayYou got a reaction
You got a reaction, didn't you?
You took a white orchid
You took a white orchid turned it blue
