5:19

Matt Wertz

I'd be lying through my teeth if I told you
That I'm ok
July came, I thought I had it all together
Until you said
"I need some space"
Truth be told
It's so hard to wait
One eye on the clock
And one on the phone
It's 5:19....
I'm feeling alone
If I could talk to you
I'd want you to know
I'm holding loose
But ain't letting go.
We both know that I could think myself dizzy
Right now I'm spinning around
You said, "baby, don't worry"
But I just miss you right now
I said, I miss you right now
One eye on the clock

And one on the phone
It's 5:19....
I'm feeling alone
If I could talk to you
I'd want you to know
I'm holding loose
But ain't letting go.
Baby, take all the time you need
I just want you to know
I'll be here, waiting
With one eye on the clock
And one on the phone
It's 5:19....
I'm feeling alone
If I could talk to you
I'd want you to know
I'm holding loose

But ain't letting go.
(x2)
ooooo....
Ain't letting go
