Be Your Own Pet

So how's your two dogs dude?
Oh why don't you go home?
It wasn't here, it wasn't right here
They want some beer at their two zone
So how's your two dogs dude?
Oh why don't you go home?
Two zone going through my brain
It's in the freezer and I'm going insane

We wanna be friends with you
Everyone wants to have a good time
We can do this if we work together
We can have a very good time together
