Kinder

David Garza

Ooh, I got the oceans here [Incomprehensible] in a little bag
It's in my back pocket, just look for yourself
Yeah and I got the forests tied up in a little pouch
It's all around my neck, just hanging right hereOoh, I'd like to tell you what I think about you, baby, but I can't say it
Ooh, I'd like to tell you what I think about you, baby, but I can't say it
'Cause I'm a nice guySo step inside of my new kinder love
Step inside of my new kinder love
'Cause me and your heart, we're one and the sameOoh, I got the heavens wrapped up and they're mine
I lay with the angels and I sleep with the saints
Yeah and I got the sun wrapped up in a little stash
It's in my top drawer, yeah, it's just sitting right thereOoh, I'd like to tell you what I think about you, baby, but I can't say it
Oh, I'd like to look at you in the eye, mother but I can't say it
'Cause I'm a nice guySo step inside of my new kinder love
Step inside of my new kinder love
'Cause me and your heart, we're one and the sameSo step inside of my new kinder love
Step inside of my new kinder love
Me and your heart, we're one and the same
I got to know, we're one and the sameOne and the same
One and the same
One and the same
