Lost in the Discotheque (Festival Mix)

Empyre One

no worry tonight
it makes me feel alright
it's like im out of space woho
we call it the day
it's the 2nd of may
and i just save in grace wohoand where i go go go
i'm just taking a flow
all my friends just leave me alone yeah
i'm just singing my song
see you are so alone
just take me awayi'm lost in the discotheque
i was drinking too much tonight
now you can hold me so tight
i'm singing heyin the discotheque
just you can show me the way
until the break in of day
i'm singing heyin the discotheque oh oh
in the discotheque
in the discotheque oh oh oh oh
in the discotheque
in the discotheque oh ohi'm lost in the discotheque
