

No Talk

River Tiber

[Verse 1]

Doesn't matter if we've been down
Nothing's later than it is now
And you feel it like the motion
To the bottom of the ocean
Getting lifted in the basement
Where we all become the same thing
Always talk like you could get this
In the city acting reckless[Chorus]
No talk, no talk, no talk, no talk, no talk, no talk, no talk, no talk
No talk, no talk, no talk, no talk, no talk, no talk, no talk, no talk

[Verse 2]

Doesn't matter if we've been down
Nothing's later than it is now
I can't see through my projections
Getting high off your possession
Looking pretty, looking vacant
When we all become the same thing
In the city acting reckless
You don't know when to stop[Chorus]
No talk, no talk, no talk, no talk, no talk, no talk, no talk, no talk
No talk, no talk, no talk, no talk, no talk, no talk, no talk, no talk
No talk, no talk, no talk, no talk, no talk, no talk, no talk, no talk
No talk, no talk, no talk, no talk, no talk, no talk, no talk, no talk
No talk, no talk, no talk, no talk, no talk, no talk, no talk, no talk
No talk, no talk, no talk, no talk, no talk, no talk, no talk, no talk
No talk, no talk, no talk, no talk
