I'm In Love With Jesus

New Direction

Every time I think about You - Every time I read about You
Every time I hear Your Name - I start to smile
Every time the sun starts shinning - Every time the winds start blowing
Every time I feel Your anointing - I start to smile
Let me take the time to I love You _ Let me take the time to say I care.

CHORUS
I love You Lord - Every time I think about You -I love You Lord
Every time I think about You - I love You Lord
Every time I read about You - I love You Lord
Every time I hear Your Name - I start to smile
I love You Lord - I love You Lord
Every time the sun starts shinning - I love You Lord

Every time the winds start blowing - I love You Lord
Every time I feel Your anointing - I start to smile - I love You Lord

I'm in love with Jesus - And He's in love with me
I'm in love with Jesus - And He's in love with me

Yes, Yes, Yes, Yes - I'm in love with Jesus - And He's in love with me

Yes, Yes, Yes, Yes, Yes, Yes, Yes, Yes
I'm in love with Jesus.
