Something Told Me

Coal Chamber

Something told me to tell you
Not to tell me what to do
I am what I fuckin' am
Many have tried to change this man
Life's always been an uphill fight
Somethings I do you may not like
Life's always been an uphill fight
Somethings I do you may not like
Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me
Why do you do the shit you do?
I'm doin' just what I do
No, not what I want to do
But what I've got to do, we're through
Life's always been uphill fight
Somethings I do you may not like
Life's always been uphill fight
Somethings I do you may not like
Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me
Something told me to tell you
Not to tell me what to do
I am what I fuckin' am
Many have tried to change this man
Life's always been uphill fight
Somethings I do you may not like
Life's always been uphill fight
Somethings I do you may not like
Something told me to tell you
Don't give into me
Something told me to tell you

Don't give into me
Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me
I'm sick of this shit
I'm sick of this shit
I'm sick of this shit, motherfucker
I'm sick of this shit
I'm sick of this shit
I'm sick of your shit
I'm out of my mind and you're driving me crazy
I'm out of my mind and you're driving me crazy
I'm out of my mind and you're driving me crazy
I'm out of my mind and you're driving me crazy
Don't, don't give into me
Don't give into me
Don't give into me
Don't give into me
It's not the same, it's not the same
Some things are not the same anymore
Something told me to tell you
Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me
Something told me to tell you
Don't give into me
