

# Judy

Wynn Stewart

Judy has her own desire  
She wants to step into your fire  
She wants you tangled in her web  
She wants the flame never to tire  
She's wanting  
She's tripping  
And she's falling  
Can you catch her?  
Now she's calling  
Can you hear her?  
She's falling down  
Judy wants to love so much  
Can it release her from her hurt?  
Judy's dreaming of your touch  
She'll smother you till it's too much  
She's wanting  
She's tripping  
And she's falling  
Can you catch her?  
Now she's calling  
Can you hear her?  
She's falling down  
She's falling down  
She wants to drown  
Within your heart  
She'll never part  
She's falling down
