

Cold (Live In the Hammersmith Odean 5/82)

The Cure

Scarred
Your back was turned
Curled like an embryo
Take another face
You will be kissed again
I was cold as I mouthed the words
And crawled across the mirror
I wait
Await the next breath
Your name
Like ice into my heart
A shallow grave
A monument to the ruined age
Ice in my eyes
And eyes like ice don't move
Screaming at the moon
Another past time
Your name
Like ice into my heart Everything as cold as life
Can no one save you?
Everything
As cold as silence
And you never say a word
Your name
Like ice into my heart
Your name
Like ice into my heart
