

You Don't Have To See

Debbie Gibson

VERSE1:

Spare me advise for a change
Just let me go my own way
I am the one in this thing
I know you're looking out
Checking me for last minute doubt
He makes me happy
When will you take my word

CHORUS:

You don't have to want this to work
It's my life and a love deserved
Tearing him down, yeah it's a sin
But you don't have to see
What I see in him

VERSE2:

There is respect all around
Miracles in what we found
Surely you can understand
And when I come home to him
It just confirms again and again
That I don't have to explain
But to say that he's my man

CHORUS:

And you don't have to want this to work
It's my life, it's a love deserved
Tearing him down, yeah it's a sin
But you don't have to see
What I see in him

BRIDGE:

Yes it would please me
If you'd make it easy
And open up your mind

CHORUS:

But you don't have to want this to work
It's my life and a love deserved
Tearing him down, yeah it's a sin
But you don't have to see
What I see in him

You don't have to see
What I see in him
But you don't have to see
What I see in him
