

# Emerald

## Hodel & Anguilla Project

Confess what you crave  
A life without pain  
You'd kill for the taste  
But the hurt still remains

Still they don't know who you are

Just be still my emerald  
I'll be waiting for you  
Do exactly what you're told  
I'll be waiting for you

Ashamed by the threats  
You pierce the embrace  
Afraid and alone  
In a dark lonely place

Did you always want to be  
Did they try to steal your soul  
Did they hurt you with deceit  
Can't you come in from the cold  
Be still my emerald  
I'll be waiting for you
