Faith In The Families

Poco

Taking the dream how we ran
In the rage of another plan
Heading for the mountain wall
Where it all began to fall
When we heard the wind callTake your homes in the sun
There ain't no need to run
You've been here, you've been there
You've been everywhere
And the time has come to really careThrough our families
We had eyes to see
What could really be
We were making plans
In the promise landFar away from the shining sea
For some it wasn't easy
Living in an old dream
There's so many rocks in the stream
Do you know what I meanWe are living in a time that is ours to share
Catch up, don't you stray too far behind
For the time has come for us to really care
Would you trade me your dream for mineTaking the dream how we ran
In the rage of another plan
Heading for the mountain wall
Where it all began to fall
When we heard the wind call
