

# Leaves

## B\*Witched

In winter, I fall at your feet  
In summer, I blow where we meet  
And you, oh you  
You hold me up  
Till like a leaf we fall  
Onto the ground It's time for seasons to go  
A reason, a reason to know  
And you, oh you  
You hold me up  
Till like a leaf we fall  
Onto the ground In winter, I fall at your feet  
In summer, I blow where we meet  
And you, oh you  
You hold me up  
Till like a leaf we fall  
Onto the ground And you, oh you  
You hold me up  
Till like a leaf we fall  
Onto the ground  
Onto the ground  
Onto the ground  
Till like a leaf we fall  
Onto the ground
